Blood Poison

THE BANE OF HUMAN LIFE,

Driven Out of the System by the Use of

Ayer's Sarsaparilla

Admitted for Exhibition

AT THE WORLD'S FAIR

"For five years, I was a great sufferer from a most persistent blood disease, none of the various medicines I took being of any help whatsoever. Hoping that change of climate would benefit me, I went to Cuba, to Florida, and then to Saratoga Springs, where I remained some time drinking the waters. But all was to no avail, I had been advised by several friends to try Ayer's Sarsaparilla, I began taking it, and very soon favorable results were manifested. Today I consider myself a perfectly healthy man, with a good appetite and not the least trace of my former complaint. To all my friends, and especially young men like myself, I recommend Ayer's Sarsaparilla, it is in my opinion a perfectly reliable blood-purifier."—J. A. Eschman, proprietor Hotel Victoria, Key West, Fla.; residence, 352 W. 101st St., New York.
